04 /Details:

Anti-tipping device can be customized

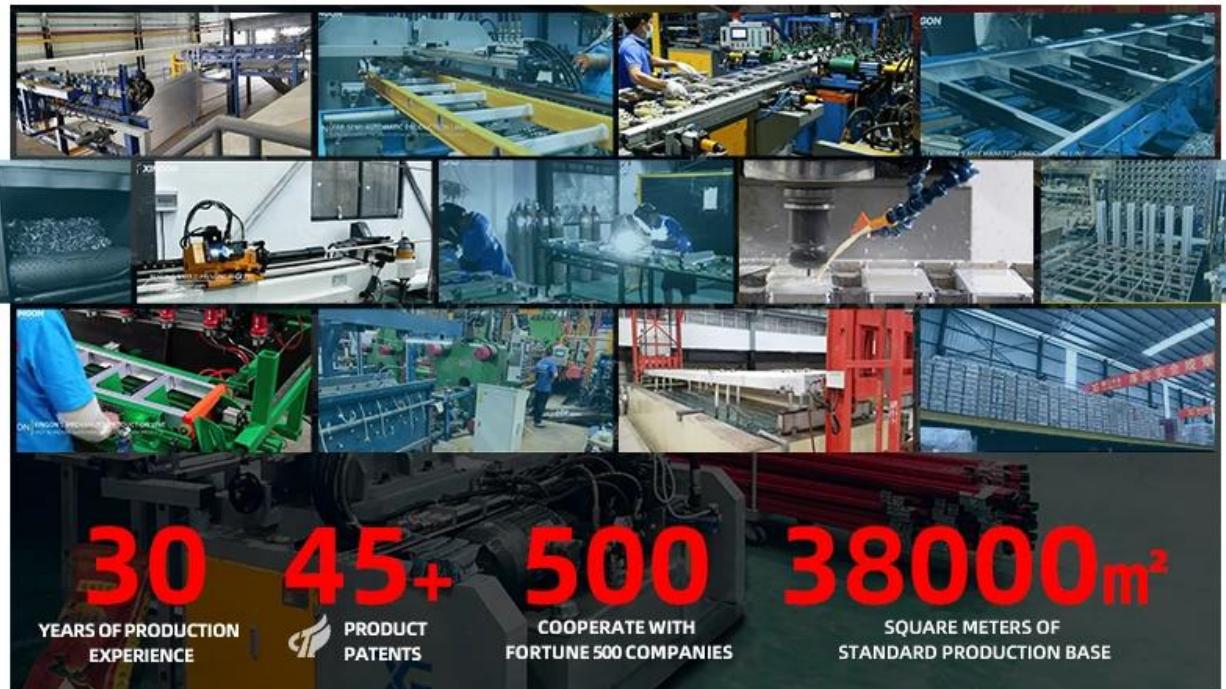

05 /About XINGON

XINGON was founded in **1996**, with nearly **30** years of production experience, we have become a leading enterprise in the field of safety climbing products.

Our main products include Aluminum profiles, Aluminum ladders, Fiberglassladders, Aluminum scaffolding, Custom aluminum products, Custom machinery, and more.

We produce our own raw materials and accessoriesproviding customers with cost-effective andhigh-quality products.

DISPLAY OF SOME PARTNERS AND ENGINEERING CASES

- Small order is accepted
- Quickly response and prompt delivery
- High quality with **ANSI/AS-NZS/CE/EN131/1004/14183/GB17889** certificate
- Offer **OEM/ODM** service
- Process raw material in-house to reduce costs
- Process all raw material in house which ensure high quality, prompt delivery and competitive prices.
- All productions pass standards tested by SGS, with 91% repeated order rate.
- To benefit from our productions and service, please kindly contact us today.

FAQ

1. Are you a factory or trading company?

We are a manufacture major in aluminum and fiberglass ladders/profile

2. Do you have any certifications?

Yes, our products have successfully passed EN/ANSI test

3. How can I get samples?

Please contact us by Email: sales@xgladders.com and tell us your requirements

4. What's is the MOQ?

No matter how many quantity, we will seriously treat every customer

5. Do you provide OEM/ODM service?

Yes, we do. All most all of our products are made according to our clients' designs. We offer OEM/ODM service for 21 years

6. Where is your factory located?

We are located in Guangdong Foshan, kindly visit us if possible
