02 /Features

- Suitable for working in limited space
- Vertical ladder structure provides maximum work space & reduce erection time
- Proper combination of design with greater flexibility and maximizing utilization
- Platform can be placed at any rung of the frames, distance between each rung is 460mm

XINGON aluminum scaffolding are made of all aluminum alloy material, using aviation aluminum materials 6082-T6 and 6061-T6. The product design complies with international EU certification EN 1004-1:2020, and the product has obtained safety certification from SGS Group in Switzerland. XINGON products are insured by Ping An Property Insurance Company of China. Our company has obtained the ISO 9001:2015 international quality management system certification, comprehensively ensuring the performance stability and product superiority of XINGON aluminum products, and providing safety and security for your construction.

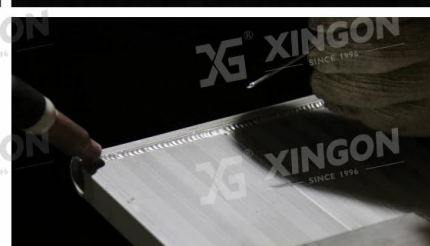

生产工艺(双重保护):
机械冷压+无缝焊接

Production process (double protection):
mechanical cold pressing + seamless welding

铝材厚度达 2.2 mm
接驳处达 10 mm

Thickness of aluminum up to 2.2mm
The thickest connection reaches 10mm

ALUMINUM

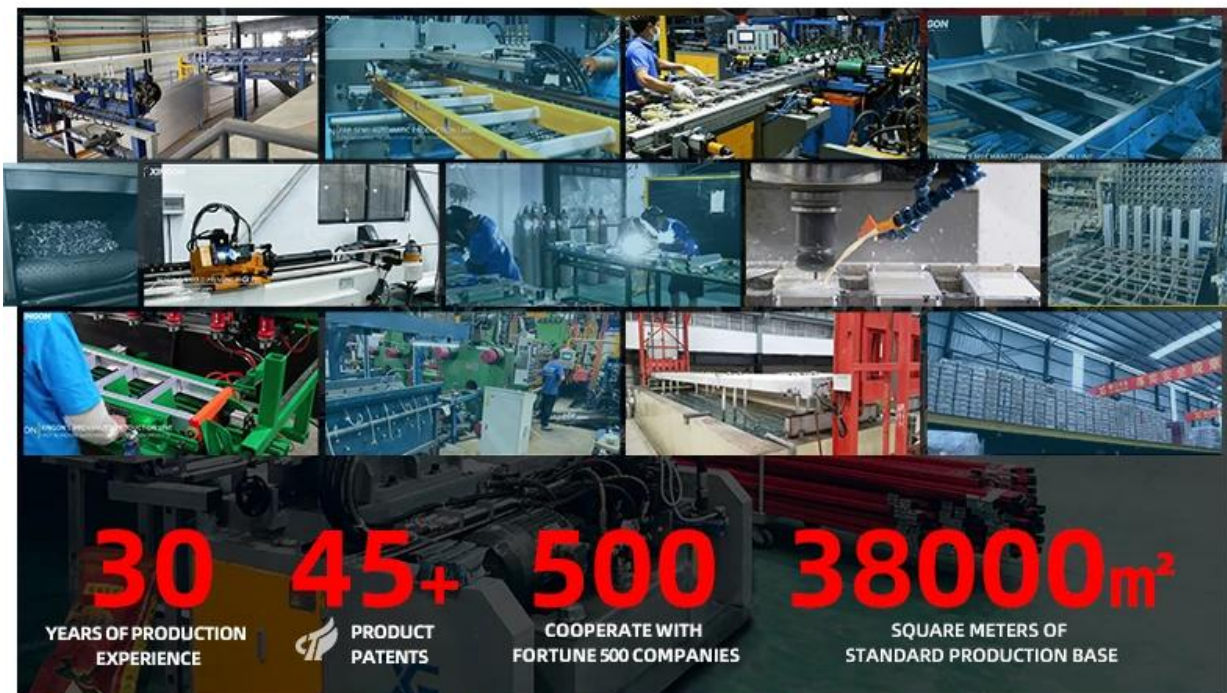

05 /About XINGON

XINGON was founded in **1996**, with nearly **30** years of production experience, we have become a leading enterprise in the field of safety climbing products.

Our main products include Aluminum profiles, Aluminum ladders, Fiberglass ladders, Aluminum scaffolding, Custom aluminum products, Custom machinery, and more.

We produce our own raw materials and accessories providing customers with cost-effective and high-quality products.

DISPLAY OF SOME PARTNERS AND ENGINEERING CASES

- Small order is accepted
- Quickly response and prompt delivery
- High quality with **ANSI/AS-NZS/CE/EN131□1004□14183/GB17889** certificate
- Offer **OEM/ODM** service
- Process raw material in-house to reduce costs
- Process all raw material in house which ensure high quality, prompt delivery and competitive prices.
- All productions pass standards tested by SGS, with 91% repeated order rate.
- To benefit from our productions and service, please kindly contact us today.

FAQ

1. Are you a factory or trading company□

We are a manufacture major in aluminum and fiberglass ladders/profile

2. Do you have any certifications□

Yes□our products have successfully passed EN/ANSI test

3. How can I get samples□

Please contact us by Email□sales@xgladders.com□ and tell us your requirements

4. Whats is the MOQ□

No matter how many quantity□we will seriously treat every customer

5. Do you provide OEM/ODM service□

Yes□we do. All most all of our products are made according to our clients' designs. We offer OEM/ODM service for 21 years

6. Where is your factory located□

We are located in Guangdong Foshan□kindly visit us if possible
