

# XG-882

**XG XINGON**  
SINCE 1996

**Highly durable and offering superior strength** Combining a host of added features and benefits.

XINGON customized, can be customized according to actual needs, the following parameters are for reference only,

do not represent the actual product, specific parameters according to the design drawing

**Mold Size:  $\varphi 178-700\text{mm}$**

The XG-882 series mold separator produced by our factory is specially designed and developed for the peers in the industry. It is used in the mold opening operation machinery of aluminum profile mold to realize the integrated workflow such as mold release, positioning, rotating shaft and mold opening. The equipment has successfully solved the drawbacks of mold separation in the industry and solved the safety hazards of mold workers; Improve the work efficiency of mold workers: promote the production capacity of extrusion work: increase the stability of the mold separation process, so that the mold is not easy to damage: reduce the manual loss in the mold separation process

## 01 /Picture

## 02 /About XINGON

XINGON was founded in **1996**, with nearly **30** years of production experience, we have become a leading enterprise in the field of safety climbing products.

Our main products include Aluminum profiles, Aluminum ladders, Fiberglass ladders, Aluminum scaffolding, Custom aluminum products, Custom machinery, and more.

We produce our own raw materials and accessories providing customers with cost-effective and high-quality products.

## DISPLAY OF SOME PARTNERS AND ENGINEERING CASES

- Small order is accepted
- Quickly response and prompt delivery
- High quality with **ANSI/AS-NZS/CE/EN131/1004/14183/GB17889** certificate
- Offer **OEM/ODM** service
- Process raw material in-house to reduce costs
- Process all raw material in house which ensure high quality, prompt delivery and competitive prices.
- All productions pass standards tested by SGS, with 91% repeated order rate.
- To benefit from our productions and service, please kindly contact us today.

## FAQ

### 1. Are you a factory or trading company?

We are a manufacture major in aluminum and fiberglass ladders/profile

### 2. Do you have any certifications?

Yes, our products have successfully passed EN/ANSI test

### 3. How can I get samples?

Please contact us by Email: sales@xgladders.com and tell us your requirements

### 4. What's is the MOQ?

No matter how many quantity, we will seriously treat every customer

### 5. Do you provide OEM/ODM service?

Yes, we do. All most all of our products are made according to our clients' designs. We offer OEM/ODM service for 21 years

### 6. Where is your factory located?

We are located in Guangdong Foshan, kindly visit us if possible
