XINGON aluminum has passed the certification of authority, quality assurance

XINGON - DEVELOPMENT HISTORY

XINGON was founded in 1996, with nearly 30 years of production experience, we have become a leading enterprise in the field of safety climbing products.

Our main products include Aluminum profiles, Aluminum ladders, Fiberglass ladders, Aluminum scaffolding, Custom aluminum products, Custom machinery, and more. With an independent R&D design team, we hold 45 product invention patents. We have also established strategic partnerships with Fortune 500 companies.

We have obtained authoritative certifications : ANSI, CE, EN131, EN1004, AS NZS, GB...

We produce our own raw materials and accessories, providing customers with cost-effective and high-quality products.
